### OUR NEXT MEETING

Thursday, October 24

## Happenings and Requests

**DISRUPTIVE CHANGE OF WORK AND TECHNOLOGY - RSVP BY 10/7:** Join the Embassy of Finland and the Millennium Project at their launching event: Disruptive Change of Work and Technology. The event will be held on Thursday, October 10, 2019. The discussion will focus on the results from the three-year international study on [Work/Technology 2050: Scenarios and Actions](#). This study identified actions by futurists and related experts in 50 countries – including members of the FFCOI. The event will focus on potential solutions to the challenges posed by disruptive changes of technology and work. To attend, register by October 7, 2019. (POC: [Kira Vikman](#)).

### MASTERING STRATEGY CERTIFICATION BY GEORGE WASHINGTON UNIVERSITY:

The Mastering Strategy: [Strategic Management Performance System Certification Program](#), offered in conjunction with The George Washington University Center for Excellence in Public Leadership (GW-CEPL) is an intensive, hands-on Continuing Professional Education Program designed for professionals who are looking to build their skill sets in the management of strategy formulation, implementation, and evaluation. The program is available in three options: boot camp, live online, and self-paced online. (POC: [Doug Maris](#)).

### BOOK: CORPORATE SECURITY CROSSROADS: RESPONDING TO TERRORISM, CYBERTHREATS, AND OTHER HAZARDS IN THE GLOBAL BUSINESS ENVIRONMENT:

Dr. Richard Chasdi from The George Washington University discusses in his [latest book](#) complex systems analysis to analyze terrorist attacks. In his book, Dr. Chasdi scopes out how C-Class executives can use complex systems analysis techniques to prepare more effective non-kinetic "soft-line" counter-terrorism strategies in "host" countries. (POC: [Richard J. Chasdi, Ph.D.](#)).

## Admin & Announcements

**LAST MEETING OF THE YEAR:** Join us at our last meeting of the year on Thursday, October 24, 2019. We are changing facilities so please be on the lookout for an email invitation with the MITRE facility address. Please RSVP on our website to be included in the invite. We will resume our quarterly meetings in the early part of 2020. Rest assured we will stay in touch during the coming months through our monthly newsletter, social media platforms, etc. So be sure to send us your events, project ideas, or requests for assistance. We appreciate the support from the community, and from our speakers. For future meetings please reach out to us and let us know what topics you want us to share with the community. Reach out to **FFCOI** and share your efforts - we will be happy to add you to the next agenda. (POCs: [Sharaelle A. Grzesiak](#), [Eric Popiel](#), and [Robin Champ](#)).
